In 1977, Judith established Christian Counseling Services integrating her work as a psychotherapist with healing prayer. She married Francis MacNutt in 1980 and together they founded Christian Healing Ministries. They have traveled extensively together and co-authored the book, *Praying for Your Unborn Child*. Judith continues to travel and speak about the power of healing prayer.

PRAISE AND WORSHIP

Praise and worship is an integral part of drawing near to God. At our conferences we are blessed with the privilege of coming into God's presence in our praise and worship of Him. Praise and Worship is not a break, a performance or an interlude between speakers but rather a sacred time to come near Him as His beloved people. Please do not leave the assembly room unnecessarily or visit with your friends while our Lord and Savior is there before you, desiring to draw you into His glorious presence.

Mary Delgado

Mary has been in music ministry for over thirty years. Mary and her talented team of musicians will lead us in Spirit-filled worship to the Glory of God.

“...You shall receive power when the Holy Spirit comes upon you, and you shall be my witnesses...” Acts 1:8
