Praise and Worship

Praise and worship is an integral part of drawing near to God. At our conferences we are blessed with the privilege of coming into God's presence in our praise and worship of Him. Praise and Worship is not a break, a performance or an interlude between speakers but rather a sacred time to come near Him as His beloved people. Please do not leave the assembly room unnecessarily or visit with your friends while our Lord and Savior is there before you, desiring to draw you into His glorious presence.
